Do you know Leslie Bory?

Published on 2026-11-20 by Henning von Stosch

Dear Court in Canada: I participated online in today's hearing against Leslie Bory!
Here is the link I used, with the starting time:
https://ca01web.zoom.us/j/69365516984?pwd=WLkFCuvrI9Lta1plVBvDxtKPxZaCOV.1
9:30 am Eastern Standard Time

Do you really want to compare the effectiveness of Leslie Bory with the effectiveness of Goebbels in his infamous speech at the Sportpalast, where he called for TOTAL WAR?

-
- Are you really that stupid?
- You forgot something!
- **Online, a mass soul that is easily manipulated does not form!**
- Your "work (???)" is easy to evaluate:

You have not covered the justice system in Canada
in glory!

If you want to see how clearly Jews and Zionists murder, look at Gaza! Why isn't the mass murder of Palestinians there being stopped?
Why isn't Israel forced to provide the Palestinians with adequate supplies?

Because law and justice
do not apply to Arabs in Israel !

Does this really mean that Leslie Bory is not allowed to defend himself?

You guys from the court in Canada: It's easy to get completely lost in a live situation and
never find your way out!
Didn't you consider that?
Did people actually show up at Leslie's
with their weapons?

Anyone with a single functioning brain cell must understand that one is completely wrong to arbitrarily kill any human being!
Have you answered the question of how, in a crowd of perhaps ten thousand Jews, one can identify the three criminals that must be among that number of people?

Do you really think Leslie
is that stupid?
I don't know enough about him.
But I do know two of his friends! These They wouldn't be friends
with a murderer

Here you can watch Leslie:

URL: **https://www.bitchute.com/video/K9v0L1X4etW3**

I didn't know him until two days ago! The thing with the Prime Minister in Canada didn't work out! His video channel on BitChute seems to be gone too!

He couldn't have had any friends among Jews, so they must have found something to use against him!

Today there was a court hearing that I was able to watch online. It was apparently about sentencing.
There were three judges: Messrs. Huscraft, Rahman, and Monahan.
Two prosecutors: Ms. Dana Achtemichuk and Ms. Karen Shai.
A representative for **ALCCA** : Mr. Mark Sander.
A representative for **CCF** : Mr. John Mather.
The attorney for Leslie Bury: Mr. Ian McCuaig.

Things got pretty wild!

What happened? A video by Leslie Bury was quite obviously compared to Goebbels' Sportpalast speech!
You can watch Goebbels' entire speech here:

Title: Goebbels Sportpalast Speech – 18 February 1943
URL: https://www.youtube.com/watch?v=vUuoKelrHvU
Note: The description on YouTube is in English, but I'm not getting English subtitles.

Leslie's lawyer reported that approximately two hundred people attended Leslie's speech, which led to a house search and the seizure of weapons and ammunition.
The prosecution exaggerated this to thousands of attendees and claimed a lasting revolutionary impact!

-
  - The accusers also seem to have no contact with real life!
  - Interestingly, the prosecution claimed that Leslie's removal from YouTube had some kind of significance!
  - What utter nonsense!
  - You just have to be able to think for yourself, then you'll get kicked off YouTube!
  - People who are capable of thinking are very dangerous to the emerging **Satanic world government !**
  - I'm experiencing that myself right now!
  - Since 1980, well over three billion cancer patients worldwide have been murdered using chemotherapy!
    -
    - These people could easily have been saved through the connection between "soul, mind and body"!

        - The entrance to the specialist information in German can be found here: **https://sonnenspiegel.eu/krebsheilung** .
        - Translate it into all languages and you can save billions of dollars/euros

- The legal scum in German courts refuses to acknowledge and end this mass murder, despite the "common outcry about the Holocaust in Germany"!
        -
        - That was going to be expensive for them!
        - Take a look at what I did with the two most important institutions in Germany:
        - I placed them right next to serious criminals:
            -
            - **https://sonnenspiegel.eu/?s=25.+April+2025**
            - **https://sonnenspiegel.eu/?s=Ohrfeigen**

        - They're trying to bend the law to finally get rid of me!
        - This is shown here: **https://sonnenspiegel.eu/?s=Offener+Brief+an+ein+paar+Leute%2C+die+die+Fachliteratur+zur+Hamer-Medizin+nicht+gelesen+haben%21**
        - This is where things get really embarrassing for these guys: **https://sonnenspiegel.eu/?s=Germanische+Heilkunde%3A+Einen+gro%C3%9Fen+Schritt+weiter+zur+offiziellen+Anerkennung%21**

- The reason for this was already made public by Dr. Ryke Geerd Hamer in his book, " **Suppression of Knowledge in New Medicine: One Against All "!**
- Search there for the German term "Rabbierbriefe" (rabbinical letters) and you will find that it is Jews and Zionists who predominantly profit from the mass murder of cancer patients carried out with chemotherapy!

Non-Jews really don't seem to be human to Jews !
Just look further down to see what
I was to Hans-Jobst von Stosch!

You can't imagine
the weight that fell from my heart
when I realized that this bottomless
piece of shit couldn't be my biological
father!

-
- Dr. Hamer's knowledge saved my life!

The most important statement was made by the CCF representative, Mr. John Mather. He stated that online communication cannot achieve the same effect as an actual meeting! Unfortunately, he didn't elaborate on this! I'll do that for him now!

The statement
is absolutely correct!
Only the explanation is missing!

Goebbels showed us how it's done! The Sportpalast wasn't filled with two or three thousand individuals, but with a MASS OF SYMBOLISED INDIVIDUALS WHO ACTUALLY FORMED A CLOSED AND MANIPULATED UNIT!

That, and only that, is the difference!
What was done to Leslie is
the work of the remaining Jewish/Zionist power,
which always downplays Jewish/Zionist crimes
or
keeps them completely out of the mainstream media!

The mass murder of Palestinians in Gaza, which began on **October 7, 2023 and is still ongoing, played no role in today's court hearing!**

-
  - I'm unclear whether Leslie mentioned this during his sentencing!
  - If you look at the wars taking place around the world that simply won't stop, such as the war in Ukraine and the decades-long war against Iran, you will repeatedly find Jewish/Zionist interests in key positions

  - Look at the sleeve patches of the Israeli soldiers. They depict an "Israeli territory" that extends far beyond the current borders of this terrorist state!
    -
    - So THAT'S what they still want to conquer!
    - Their lust for conquest is clearly evident to the whole world!

Nobody in Canada wants
to say that!

I, HENNING VON STOSCH, Mühlenstraße 5, D 25421 Pinneberg, have actively trampled on the Holocaust in Germany!

-
  - The Holocaust has always been a dirty Jewish/Zionist lie!
  - Experts who have read the books of the researchers who have dealt with the alleged mass gassings have known this for a long time!
  - Only judges and prosecutors don't read such books!

Take a look here:

Title: Two parallels discovered with October 7, 2023!
URL: **https://sonnenspiegel.eu/politik/gegenangriff41.html**

Read about Gilad Atzmon there !
The majority of Jews
imprisoned in Auschwitz went voluntarily
to the Reich along with the SS guards

!
You don't go with murderers
if you have a choice!
The prisoners in Auschwitz
had a choice!

Dear Court of Canada! Leslie Bury should be fully acquitted! Refer the case back for a retrial after you have immediately released Leslie!

In case they don't tell you in Canada: I had to study that shitty Judaism! I grew up in a family I didn't belong in. That piece of human shit, that piece **of mixed-race Jewish shit** Hans-Jobst von Stosch made large parts of my life hell! He severely traumatized me when I was 3.5 or 4 years old, and I couldn't get over it for decades.

-
  - I was only able to survive because I learned about German New Medicine in time, the knowledge of which is documented here in German: **https://sonnenspiegel.eu/krebsheilung** .
  - That's why I was able to persevere and find the words that killed people!
  - I am particularly proud of the **passing of Oliver Stolz** , the man responsible for the police raid in February 2017: **https://archive.org/details/vonStosch2** .

Dear Court in Canada: Please have this book translated very soon!

-
  - Günther Schwab: The Dance with the Devil, An Adventurous Interview
  - URL: https://archive.org/details/LEBENSWILLE
  - The book describes many ACTUAL ATTACKS intended to hinder and poison life on Earth!
  - Here https://sonnenspiegel.eu/esoterik/lebenswille.html it is stated that only spiritual methods of combat offer any prospect of success!
  - The solution comes in the chapter "The Night of Decision", which begins on page 459.
    -
    - Satan cannot tolerate sincere prayer!
    - To successfully call upon the Lord God, one needs a connection to him!
    - The connection must either be based on actual spiritual enlightenment, **OR CONTAIN LIFE ITSELF!**
    - **In the book, a small bag of seed grain is all it takes to establish a successful connection with the Lord!**
      -
      - (Quote begins): “Suddenly, Rolande stood beside Sten, pale, determined, brave. Her heart pounded, and she pressed her hand to her breast, where beneath her dress she felt the blessed grain, the secret of life, indestructible across time. Her gaze flickered. ‘We are not alone!’ she said. ‘God is behind us!’ ‘Don’t mention that name!’ roared the boss, jumping up. The

assembly of devils shook as if struck by a terrible force." (Quote ends)
- **THIS, and only this, is the power that can even crush the Holocaust**

- It depends on the chapter "The Night of Decision", which is already available for automatic translation here:
- https://sonnenspiegel.eu/esoterik/hamerneuigkeiten63.html .

Now believe it's possible to fully recover!

-
  - I did it, so you can too!
  - Anyway, if you want to get healthy !
  - If you are healthy, then fighters will liberate the world from the Satanists!
  - Until then, please support all efforts that are working in the right direction.

The Jews are not at the
top of the pyramid!
Not even the head of the Rothschild family
is!
Satan himself sits at the very top!

That piece of **Jewish filth ,** Hans-Jobst von Stosch, knew what he was doing! He left the house three months before he was exposed!
The guy did nothing to solve and end the problem! When he had begun his journey to hell and knew he couldn't stay any longer, he dumped the filth he wanted to heap on me one last time onto his own flesh and blood because I refused to see him again!

This piece of bottomless shit wasn't brave enough to take his guilt to hell and pay for it there!

THIS IS JUDAISM OF THE EVILEST KIND, PURE AND UNPARALLELED!

Look how weak Zionism has been for a long time! Search for the German term "toy pistols" and follow the link: **https://sonnenspiegel.eu/zionismus** .

What really matters?

- Satanists threaten the end of the world to keep people in fear and compliant!
- The end of the world will not be caused by Satan, but by the Lord God

- What is important in this regard?
- There is a **tiny little difference** between God and his adversary!

- The Lord God cannot tolerate slaves, nor can the adversary tolerate self-confident and flawed people!
- Therefore, the Lord God will initiate a new beginning when he finally comes to the conviction that his creation already belongs on the scrap heap of history!

The current Satan has no chance of a future!
