– PERSONAL –
To the Federal President Steinmeier,
Federal Presidential Office
, Spreeweg 1,

Ref.: 300 11-00009-0013-0367

Dear Mr. Federal President Steinmeier,

It is a particular pleasure for me to inform you of the UNLAWFUL means being used against me!

The head of the Pinneberg District Court has commissioned the psychiatrist Deister from Itzehoe to write an expert opinion on me to determine whether I am criminally responsible (or whether I should disappear into a psychiatric hospital permanently)!

With almost 30 years of experience in government, I reacted immediately and dictated to the guy the conditions he had to meet in order for me to be able to see him during his consultation.

Now this guy has lied in his report, because he claimed there that I repeatedly refused to come to Itzehoe!

That guy lied, and the head of the Pinneberg District Court wanted to grant him the right **in court on November 10, 2026,** to decide whether I should be permanently committed to a psychiatric hospital! The proceedings were discontinued!

Dear Mr. Federal President Steinmeier, what distinguishes this woman from the men who allegedly poured Zyklon B into the gas chambers?

- If you don't know the answer: NOTHING! THAT'S SCUM!

Dear Mr. President Steinmeier, do you feel comfortable in such a state?
I don't, and it is also your fault that things are the way they are!

Dear Mr. Federal President Steinmeier, what distinguishes you from the head of the "Court (???)"?

There is only one apt comparison: **Like master, like dog!**

von Stosch" **(end quote)**

LIFE CAN BE SO MEAN!
That will only change when the
blame isn't placed on the weak
, but on those at the top!

At the very top is what one can just barely recognize as "in charge"! Satan himself, the "big boss," is currently unreachable for me. I simply haven't found the way yet!
